RECOMMENDATION OF CANDIDATES FOR THE STAMFORD RAFFLES AWARD

Regulations

1. No serving member of Council is eligible to be nominated for the award.
2. The award is made for distinguished contributions to zoology by amateur zoologists or, exceptionally, professional zoologists in recognition of work which is outside the scope of their professional activities and principal specialisation.
3. The contribution should normally have been made over a long period and not consist only of one specific piece of work.
4. All members of Council are asked to recommend at least one and not more than three candidates. Please submit a short supporting statement and indicate the priority of your recommendations.
5. Candidates recommended but not selected for the award in any year may be reconsidered by the Scientific Awards Committee in the following year.
6. All recommendations must be received by 10 January 2023.
