ZSL Stamford Raffles Award Winners

2021  Stuart Roberts
     for outstanding contributions to entomology

2017  Paul Brock
     for outstanding contributions to entomology

2016  Malcolm Tait
     for outstanding contributions to the public appreciation of wildlife

2015  Nick Tregenza
     for outstanding contributions to acoustic monitoring of cetaceans

2014  Elise Andrew
     for significant contributions to science communication

2013  David Mallon
     for significant contributions to antelope conservation

2012  Stephen Petty
     for significant long-term monitoring and data collection that has contributed to our understanding of the ecology of tawny owl populations, their vole prey and other raptors

2011  Dan Danahar
     for contributions towards the advancement of biodiversity education

2010  Richard Lewington
     for contributions for wildlife illustration

2009  Bob Swann
     for contributions to ornithology

2007  Ted Benton
     for contributions to our knowledge on bees, butterflies and dragonflies

2006  Peter Chandler
     for contributions to our knowledge of European diptera

2005  Peter Grubb
     for contributions to mammalian systematics
2003 Christopher du Feu
for contributions to ornithology

2002 Thomas Jones Roberts
for furthering our understanding of wildlife in Pakistan

2001 Norman Moore
for research on the ecology and behaviour of dragonflies

1999 Edward Max Nicholson
for life-long contributions to conservation

1998 Clive Carefoot
for outstanding research on plumage genetics

1996 Norma Chapman
for outstanding contribution to the knowledge of deer in Britain

1994 J Hall-Crags
for long-standing contributions to the description of bird song

1993 W R P Bourne
for contribution to the study of seabirds

1992 J D Summers-Smith
for world-renowned work on sparrows

1990 D L Harrison
for distinguished contribution to the study of mammals

1989 Major K W England
for contribution to the taxonomy of tropical sea-anemones

1988 W F H Ansell
for contribution to knowledge of the taxonomy and distribution of African mammals

1987 Fiona Guiness
for contributions to research on red deer in the British Isles

1985 A F Millidge
for distinguished contributions to arachnology

1984 W J Le Quesne
for distinguished contribution to the taxonomy and biology of Hemiptera
